Program Guidelines

These zoos & aquariums will provide FREE or DISCOUNTED admission when you show your Zoosiana membership card.

Some zoos may only allow free admission for 2 adults and 2 children. Other restrictions may apply, so we recommend that you contact the zoo or aquarium you want to visit for additional details.

Some zoos may offer discounts in the gift shop for members.

The cooperative agreement between Zoosiana and other zoos around the country has been developed to add value to your membership. It is subject to change at any time.
